

MARYLAND STATE DATA CENTER ROUNDTABLE DISCUSSION

MARYLAND DEPARTMENT OF PLANNING

What have we been doing?

- Census Estimates
- ACS
- Population Projections
- School Enrollment Projections
- Jobs and Income data
- Preparing for 2020 Census (geographic updates and outreach)
- Maps and Interactive data

How can we improve data availability and accessibility to clients/customers?

How would you improve data availability and accessibility to clients/customers?

Have you received questions about the new state development plan?
